

The National Executive of the Ukrainian National Federation of Canada wishes all of its Members, Affiliate Organizations, Friends and Supporters a very Happy Easter!

May your families be blessed with happiness, prosperity, harmony and hope during this Paschal celebration of the Risen Christ!

This year especially, we pray for peace in our ancestral homeland Ukraine, and for God Almighty and the Risen Christ to protect its citizens and soldiers in their fight for survival.

As we continue to navigate through the current (and hopefully final) stages of the Covid19 pandemic, we wish you all pristine health and continued good fortune!

Christ is Risen! Indeed He is Risen!
